Re: Power Purchase Agreement between Duke Energy Progress, LLC and Olanta Solar, LLC  
Docket No. 2016-41-E

Dear Ms. Boyd:

By Order No. 2016-146 issued February 24, 2016, the Public Service Commission of South Carolina (the "Commission") approved the Power Purchase Agreement ("PPA") between Duke Energy Progress, LLC ("DEP" or the "Company") and Olanta Solar, LLC. The Commission granted DEP's request for confidential treatment of the PPA.

DEP hereby submits for filing an Amendment to the PPA dated September 25, 2017 ("Amendment"). Due to the commercial sensitivity and proprietary nature of the Amendment, DEP respectfully requests that the Commission find that pursuant to S.C. Code Ann. § 30-4-40(a) certain provisions of the Amendment are exempt from disclosure under the Freedom of Information Act, S.C. Code Ann. §§ 30-4-10 et seq. and 10 S.C. Code Ann. Regs. 103-804(S)(1).

The information contained in the Amendment for which DEP seeks protection derives economic value from not being generally known to, and not being readily ascertainable by proper means by other persons who would be able to obtain economic value from its disclosure. Disclosure of this information would reveal confidential pricing and conditions, as well as delivery parameters, all of which are proprietary and specific to this counterparty. Revealing this information could quite likely set a floor for future counterparties, jeopardizing DEP's ability to negotiate such terms and conditions in a manner that results in the most beneficial contract for its retail customers. In recognition of the confidentiality of the information, the parties to the contract agreed to confidentiality provisions which prevent either

party from disclosing any term of the PPA to any third party without the prior written consent of the other party.

Accordingly, the Company respectfully requests that it be permitted to file the confidential version of the Amendment under seal and maintained as confidential pursuant to Order No. 2005-226, "Order Requiring Designation of Confidential Materials." Enclosed with this letter is a redacted version of the Amendment that protects from disclosure the commercially sensitive and proprietary information, while making available for public viewing non-protected information. Additionally, we are delivering by overnight mail to the Commission and Office of Regulatory Staff copies of the confidential version of the Amendment.

Please do not hesitate to contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rebecca Dulin".
